

A winding number line path from 1 to 60. The path starts at a blue circle labeled "Start" and ends at a blue circle labeled "Mål". The numbers are arranged in a snake-like pattern: 1-12, 13-24, 25-36, 37-48, 49-60. The path is divided into orange and light blue segments. Various characters are placed along the path: a blue worm at the start, a pink worm at 41, a red character at 10, a yellow character at 34, a purple character at 26, and an orange character at 58. Stars are placed on numbers 6, 7, 8, 21, 22, 23, 36, 37, 38, 51, 52, and 53. A grey worm is at the end of the path.
